SECOND.—Competitors must be the owners of the animals offered. All fruits and vegetables must be raised by the person presenting them.

THIRD.—All articles exhibited must remain during the Fair.

FOURTH.—No animal or article will be entitled to a premium, which is removed by the owner without permission of the Committee of Arrangements.

SIXTH.—Upon application to the Secretary, the Committee on Crops will visit any farm, field or crops entered for premium. All entries must be made on or before May 1st.

SEVENTH.—It will be optional with the various committees to award a premium or not, as the thing entered for it may in their judgment deserve, whether there is competition or not.

EIGHTH.—No person receiving a premium for a collection of animals, vegetables or articles, is entitled to a premium for any single article in said collection at the same exhibition. This rule shall not apply to horses.

NINTH.—All premiums awarded and not called for within fifteen days will be added to the capital stock of the Society.

TENTH.—Any person may become a member of this Society by signing the constitution, and if a male, paying to the Treasurer \$2, and if a female, \$1.

ELEVENTH.—Every person entering for plowing will be required to hold the plow.

TWELFTH.—All neat stock and horses should be kept in the county at

least two months next preceding the exhibition, and all male breeding stock nine months, either before and after or before or after the exhibition.

TWENTY-FIRST.—If amount of premiums exceeds bounty offered by the State, viz., \$600, each person drawing a premium shall be paid pro rata.

PARTICULAR NOTICE TO JUDGES.

Judges are requested to be prompt at the place of meeting, and to make themselves acquainted with their associates without any hesitation. They should make themselves familiar with the details of the Arrangements and List of Premiums, and each member shall have a copy of the same in hand during the exhibition, for reference. They should render all the aid in their power in diffusing information and inciting competition, as the success of the exhibition depends, in a great measure, on the manner in which they discharge their duties.

The Judges may fill a vacancy occurring in their number, and members may act if the number cannot be conveniently filled.

No claimant for a premium can act as judge upon the subject for which he makes his claim.

The Chairman of every board of Judges is expected and particularly requested by the officers and rules of the Society, to make a full report in writing of whatever comes under the notice of the board on which he serves and send the same to the Secretary of the Society as soon after the exhibition as possible, *but certainly within thirty days*, so that the same may be printed in the Transactions without too much delay. Reports of all classes on exhibition are very much desired, and it is hoped that this year the Judges will see that this important suggestion is attended to.
